Charity Baseball Game

for benefit of

COMMUNITY HOSPITAL

NEWARK EAGLES

vs.

PHILADELPHIA STARS

RUPPERT STADIUM

Wilson Ave.

Newark, New Jersey

TUESDAY NIGHT, AUGUST 6, 1940

Dear Friend:

The Newark Eagles Baseball team will play the Philadelphia Stars a ball game at Ruppert Stadium, Newark, on the night of August 6th, for the benefit of the Community Hospital. The entire proceeds of this game will be donated to the hospital and the funds used to get needed equipment for that institution.

This is the only colored hospital in New Jersey and it is doing a fine job in taking care of the sick and afflicted who come there for medical and surgical care. The work has been seriously affected by the present limited facilities that are now available. Despite this fact, a competent and sincere staff of physicians and nurses have been carrying on in a most creditable manner.

The committee cooperating with the Newark Eagles' management in sponsoring this game is appealing to the public for support in making this affair a success. Your attendance at this game will be a real contribution to this cause. This hospital is the only one in the State offering an opportunity for colored physicians and nurses to get hospital training. We want them to have the facilities so that that training will be of the best.

Inclosed you will find a prospectus telling you of the institution and the work it is doing. Read it carefully and pass the knowledge along to your friends and urge them to attend this game. This is a civic responsibility no one should shirk and everyone should be proud to meet.

Very truly yours,

For reservations,
